

BREAK- FAST AT DOCK EINS

GOOD TO KNOW ABOUT OUR FOOD

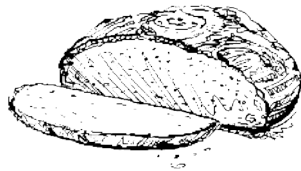

We place great emphasis on regional producers and organic products. Our kitchen avoids artificial additives. Our dishes are always freshly cooked and served. During rush hours, preparation times may therefore be longer. We invite you to explore the Gallery, our Deli, and our vinyl, books, and art stores in the meantime.

GOOD TO KNOW ABOUT OUR SIMPLES

Our pastries are baked by the Wultsch bakery or the Wienerroither bakery. In addition, we bake our own bread in our 100-year-old oven or ask our neighbor, the Kornstube, for their whole wheat.
